Golf Benefit

Virginia Beach National Golf Club

Event Details

Virginia Beach National Golf Club is pleased to announce our very first Foodbank Golf Benefit to support our friends in need in Southeastern Va & the Eastern Shore. 100% of the monies collected through this event will be donated to the Foodbank or Southeastern Virginia. In the past, the Foodbank has been able to rely on donations of groceries to feed the hungry however; due to the pandemic, the Foodbank is seeing an exponential increase in people who need food, as well as sharp declines in food donations which requires the food bank to purchase a significant amount of its food. As a result the cost per meal has increased from \$.40 to approximately \$3.00. Help the Foodbank continue their Mission by either playing and/or sponsoring this event. We have listed the details for you below.
